Principal's Message

We are off to a terrific start at William F. Cooke, Jr. Elementary! We appreciate all of the many times Mr. Cooke has been here to meet and greet our students and their families. He looks forward to meeting many more of you and getting to know our Cooke families. We appreciate all of the many ways you have supported us in these early days by attending our many meet-and-greet activities, sending in supplies, and volunteering your time. Exciting events for this school year will be advertised in our newsletter and on our website each month. Various curriculum and information nights are planned in conjunction with monthly PTA Meetings. These events will give you an opportunity to learn more about the academic standards your children are being taught in all of their classes and show you how much fun the many activities can be that incorporate the standards. We strongly urge and welcome your involvement in your child's education. We truly believe that our school and our students will be successful if we work together as a learning community, communicating openly with one another for the benefit of our wonderful students!

Fall Festival

During fall festival is a day when you pay Cardinal Code Cards to play a lot of games!

There is mini-golf which sounds fun and many can play it at the same time!

Or the bounce houses.

But there are many more!
